

UNITED LABOR PLEAS MAY BE PUT UP TO AFL

William Green Calls Council Session As Peace Is Urged

Houston, Tex., Oct. 7.—(AP)—William Green, president of the American Federation of Labor, called today for a special session of his executive council after Daniel Tobin, head of the International Teamsters' Union, appealed to the 58th annual convention for labor peace and a united labor movement.

Green's call for the council meeting immediately revived speculation the federation's high command may soon take decisive actions, not only on the question of making peace with John L. Lewis' C. I. O., but also on the personal peace plea from President Roosevelt.

Thunders Appeal
Gaining the convention floor just as the Federation leaders started their drive to win endorsement of their plans seeking amendments to the Wagner Act, Tobin thundered an appeal that the delegates "not to leave this convention until we make further efforts to come together with the contending parties in the labor movement."

The leader of 350,000 members of the Teamsters' Union, biggest affiliate in the American Federation of Labor, told the delegates that amendments to the controversial Wagner act would not settle the Federation's complaints against the labor board.

"All the legislation they enact in Washington," he said, "cannot straighten out these misunderstandings until labor is reunited in one body as it should be."

Ex-Follies Beauty Suing for Alimony

New York, Oct. 7.—(AP)—The tribulations of being a \$30,000-a-year alimony wife, with a husband who is a detective follow me day and night, but still sends gifts of yellow roses, were described today by Peggy Fears, 30, former Ziegfeld Follies girl and wife of A. C. ("Blumey") Blumenthal, New York real estate operator.

The dark-eyed Peggy said the trouble with the \$20,000-a-year alimony was that she didn't get it. She's suing him for it.

The former show girl said she was determined to fight to a finish in her current legal battle with Blumenthal, in which he has accused her of "carousing persons of ill-repute in public" until her conduct has become "a matter of public scandal."

Increase In Foreign Spying In U. S. Arouses Roosevelt

Discloses He is Seriously Considering Possible Improvements in Methods of Thwarting Military, Naval Espionage

Hyde Park, N. Y., Oct. 7.—(AP)—An increase in foreign spying in the United States in the last ten years, President Roosevelt said today, has led him to consider coordination of counter-espionage activities of various federal investigating agencies.

Mr. Roosevelt disclosed at his press conference he was giving serious consideration to possible improvements in methods of thwarting naval and military espionage in this country. He added that while foreign spying may not now be on the increase, it had grown substantially the last 10 years.

One possible approach to the problem, he asserted, might be the creation of new administrative machinery to coordinate investigations by the military and naval intelligence services, the Federal Bureau of Investigation and various treasury agencies.

Some Protection
At present, he said, all of these are responsible for some measure of protection against spies.

The president, chatting with reporters in his study at the summer White House, made it clear he considered military and naval spying as a question entirely separate from foreign efforts to disseminate propaganda in this country. While the government has the responsibility of pro-

R. R. EXECUTIVE STATES REASON FOR WAGE CUT

Claims Government Refused To Aid The Railroads

Washington, Oct. 7.—(AP)—A blunt-spoken railroad executive who rose from the ranks said today that railroad management decided upon a 15 per cent wage reduction after failing to obtain relief at the last session of Congress.

H. A. Enoch, chairman of the committee representing the major railroads in negotiations with labor, related this to the emergency fact-finding board which President Roosevelt appointed after 1,000,000 railroad workers had voted to strike against the pay cut. The wage slash and the strike both have been deferred temporarily.

No Secret Here
"There's no secret or mystery about it," Enoch said adding that a group of sub-executives met last March and decided wages should come down 15 per cent.

When the decision was offered to a general meeting of railroad presidents in Chicago, Enoch said, there was some opposition, and as a result a group representing both management and the Workers' Brotherhood met in Washington to seek legislative aid for the roads.

Enoch said the rail presidents returned to Chicago for a second meeting when relief efforts failed, and finally agreed upon the 15 per cent cut.

Tells of Byrd's Antarctic Trip

Edgar F. Cox Delivers Talk And Shows Pictures At Alexander School

Alexander, Oct. 7.—A motion picture and lecture on Admiral Byrd's second Antarctic expedition were given at the Alexander High school auditorium Friday afternoon before a large audience. The lecture was given by Edgar F. Cox, who accompanied Admiral Byrd on his trip. A number of schools in the township were represented at the lecture by students and teachers.

A. J. Tobin and Walter G. Parmelee, teachers in the high school, attended a meeting and banquet of the Morgan County Schoolmasters club at Chaplin Tuesday evening.

James W. Sullivan of Springfield visited Friday with his aunt, Mrs. Margaret Kaiser.

Mrs. Mary Chism of Jacksonville is filling a position as teacher at the Strawn school, north of Alexander, in the absence of Mrs. Thelma Daly who was called to North Carolina where her husband is critically ill in a veterans' hospital. Mrs. Chism formerly taught in the Alexander schools.

HITLER'S FACE SCRATCHED; BAN ROSE-THROWING

Fuehrer Parades In New Territory Of Sudetenland

Berlin, Oct. 7.—(AP)—Germans estimated tonight that by Oct. 10 Germany will have annexed nearly one-fifth of Czechoslovakia.

Reichsfuehrer Hitler himself toured his new territory and was scratched on the face by rose thorns when struck by a bouquet thrown by an admirer.

Authorities immediately banned all flower-throwing in the future and even small bouquets in the hands of spectators along his line of march must be seized.

The army prepared to advance tomorrow into the fifth zone delimited by the international commission in Berlin. German troops today pushed to completion occupation of the last of the four Sudetenland zones delineated in the Munich four-power conference.

Occupation Area
When the fifth zone is occupied completely by Oct. 10, the best available figures indicated Germany will have annexed 11,500 square miles—an area nearly the size of the state of Maryland. Post-war Czechoslovakia had an area of 54,244 square miles.

Other developments today included: 1. Germany released 150 Czechoslovak hostages who had been held before the Munich settlement. Czechoslovakia already had discharged political prisoners not under sentence. Two thousand Czechoslovak customs officials, frontier guards and others seized by the Sudeten German "free corps" still are held.

2. Successful conclusion of negotiations for a trade agreement with Turkey was announced. Dr. Walther Funk, minister of economics, conducted the negotiations in Ankara.

To Spend \$625,000 On State Buildings; P.W.A. Grants Made

To Make Improvements At State Hospital and Two Schools

New buildings to cost the total sum of \$625,000 and a \$120,000 heating plant are made possible for Jacksonville thru grants made by the Public Works Administration, according to work received here Friday. Governor Henry Horner announced three applications for grants for buildings at local state institutions had been approved by the P.W.A. and the balance of funds necessary will be provided by the state.

The largest sum of money will be used in constructing a diagnostic and hospital building at the Jacksonville State hospital. This project will cost \$375,000, it is estimated. When this building is completed three services at the institution will be consolidated. The services include receiving and hospital wards and hydrotherapy wards, which are widely separated at the hospital now.

At the Illinois School for the Deaf there will be a combination dormitory and class room building constructed. Dan T. Cloud, managing officer at the Deaf school, said yesterday the new building will be the same type as the two recently built on College avenue. He said it has not been decided where the building will be constructed. The selection of the site will be made by architects from the state department.

The estimated cost of the dormitory and class room building is \$375,000. At the Illinois School for the Blind a new heating plant will be installed at an estimated cost of \$120,000, of which \$54,000 is a P.W.A. grant. The grant for I. S. D. is \$112,500 and the state hospital grant is \$168,500.

Relief Fraud Given 6 Months by Judge

Chicago, Oct. 7.—(AP)—Alphonse Tagliavara, 49, was sentenced today to six months in the House of Correction for a \$3,309 relief fraud which Judge Francis Borrelli found "absolutely the worst" he had seen.

Tagliavara, who has six children and a stepson ranging in age from 3 to 20 years, admitted he had been employed since 1921 under the name of John Love and had earned \$8,134 in wages during the six years he obtained \$6,000 in cash relief in addition to grocery orders, coal and clothes.

He was charged only with obtaining the money received between 1933 and 1937 when the family went off relief. Judge Borrelli ordered him to make restitution for the \$3,309.

GARBO IS TALKING! Only One Query Taboo For Actress: Miss or Mrs.?

Two Large Factories Are Shut Down In Detroit

New York, Oct. 7.—(AP)—Greta Garbo came back from Europe today and in an atmosphere of high excitement and quiet bantering unexpectedly dropped the role of the Swedish sphinx to talk about babies, the blessings of privacy and the music of Leopold Stokowski, the orchestra conductor.

It was a swift and altogether astonishing reversal of what every one had expected, and it left even the officers of the Swedish-American liner Kungsholm slightly dizzy.

Gone was much of the old secrecy, the impatience, the asperity. Garbo was talking in well-nigh faultless English. But of that momentous matter of how she and Stokowski felt about each other, whether they are married or are going to be, she was as reticent as she always has been about her private life.

HUNGARY WILL SETTLE CLAIMS IN CONFERENCE

Czechoslovakia And Hungary To Meet This Sunday

Budapest, Oct. 7.—(AP)—The Hungarian foreign office announced tonight that negotiations for settlement of Hungary's territorial and minority claims against Czechoslovakia would start Sunday at Komarom, on the Hungarian-Czechoslovak border.

Officials of the Czechoslovak legation said the Prague delegation would be headed by Dr. Joseph Tiso, prime minister of newly autonomous Slovakia. Hungary's claims affect primarily the Slovak part of the diminished republic.

Integrity Sought
(At Zilana, Czechoslovakia, the new Slovak prime minister declares his administration above all would work to maintain territorial integrity. Slovaks were counseled to create no pretext for foreign intervention.)

It was believed in diplomatic circles that Prague already had granted certain concessions to Hungary whereby Hungarian forces would occupy two border towns "symbolically" before negotiations start at 7 p. m. (noon C. S. T.) Sunday.

The word which opened the way for the conference was said to have come from Prague as the Hungarian cabinet council discussed ultimative measures to be taken if Prague delayed the talks further. The conversations were to have started yesterday after one postponement.

Autonomy Assured For Slovak People

Prague, Oct. 7.—(AP)—The Czechoslovak government assured Slovakia today of speedy legal action to make the territory an autonomous unit within the republic.

Premier Jan Syrový told Dr. Joseph Tiso, prime minister of Slovakia, and a delegation from six Slovak parties that the Prague government would work out a plan of equality for them as well as Czechs and Subcarpathian Russians (Ruthenians).

Completion of this program would fulfill the soldier-premier's aim to bind what was left of Czechoslovakia after the Munich accord into a smoothly-working, unified nation.

AUTO DEATH

Aurora, Ill., Oct. 7.—(AP)—Glenn McDermott, 13, year old son of Mr. and Mrs. Herbert McDermott of Batavia died today from a skull fracture suffered last night when he was thrown from the running board of an automobile near his home. At the age of 13, Glenn was judged the most perfect child in his class at the Central States Fair and Exposition.

Proven: 'All The World's A Stage'

London, Oct. 7.—(AP)—The peace of Munich has produced a renaissance of oratory in the House of Commons.

Members in the four-day debate quoted everything from the Bible to William Shakespeare to prove their individual views of Prime Minister Neville Chamberlain and the Munich accord.

The prime minister himself started off by repeating Hotspur's speech out of Shakespeare's Henry IV: "Out of this nettles danger, we pluck this flower, safety."

But that didn't satisfy the erudite wing-collared Arthur Greenwood Laborite.

"I think we had better have a little more of this famous quotation," Greenwood announced.

Then, waving a thin vellum volume, he quoted:

32-HOUR WEEK UAW DEMANDS BRING IDLENESS

Two Large Factories Are Shut Down In Detroit

Detroit, Oct. 7.—(AP)—The CIO United Automobile Workers' demand for a 32-hour week in the automobile industry today resulted in shutdown of two large plants here, throwing approximately 15,000 men into idleness. The main plant of the Plymouth Motor Corp., a Chrysler division, closed when more than 3,000 men refused to report for the day shift. The men massed around the plant gates, joining nearly 3,000 night shift workers in what police said was a peaceful demonstration.

A few hours later the Briggs Manufacturing Company's Mack avenue plant, which supplies Plymouth with bodies, was closed.

Emil Mazey, president of the Briggs local, said its members were "unintentionally opposed" to the short week unless they were given "40-hour wages."

Buick Division
In Flint, Mich., Jack Little, president of UAW local 156, said a strike vote probably would be taken Saturday in the Buick division of General Motors. The 32-hour week was one of several demands.

Richard T. Frankenstein, UAW vice-president, said at Washington the union's Chrysler committee would meet Monday with H. L. Wecker, Chrysler vice-president in charge of industrial relations, to discuss the Plymouth shutdown.

Union officials said that the Plymouth demonstration was not a strike, and that the men would return to work Monday. They said, however, that the men would not work more than 32 hours during the week.

Japanese Command Will Use Victories For Offensive Drive

Reinforced Attack on Han- kow Will Be Based on Re- cent Major Gains

Shanghai, Oct. 8.—(Saturday)—(AP)—The Japanese command today announced reinforced offensives to attempt to crack Hankow's outlying defenses and vital communications under the impetus of two major victories on the sprawling Hankow front.

The Japanese reported the victories yesterday as follows:

1.—Severance of the Peiping-Hankow railway at Luiling, about 90 miles north of Hankow, after weeks of heavy fighting through western Anhwei and southern Honan provinces in which at times Chinese and Japanese forces struggled knee-deep in mud.

2.—Outflanking of Tielan, bulwark of the Chinese defense on the Kiang-Nanchang railway, about 130 miles airline southeast of Hankow.

The Japanese spokesman said a column which threaded its way through mountains along the Kiang-Nanchang line had surrounded Tielan and many of the Chinese troops were surrendering.

Charred Remains of Minister Are Found

Beaumont, Tex., Oct. 7.—(AP)—Discovery of the charred body of the Rev. O. J. Schmidt, 37, in a thick 60 miles north of here tonight sent officers of two counties on a search for clues to determine if he had been slain.

The minister, pastor of the Bethlehem Lutheran church here, had been missing from his home since last Saturday. Friends said he had worked over rift in his congregation.

There was no weapon near the body and there were no marks to indicate the manner of death. The body was found about 100 feet from the minister's motor car which had been destroyed by fire.

Didn't Like Friends Of Wife; Loses Her

Los Angeles, Oct. 7.—(AP)—Film Actress Mary Tover, 22, who used to be little Mary Kornman of "Our Gang" film comedies, won a divorce today from Leo Tover, cameraman.

She testified that when guests came to their home he would leave them and go into another room.

"Gradually we lost all our friends," she said.

The couple was married at Yuma, Ariz., in 1934.

Mr. and Mrs. Tover had a son, Leo, who was 10 months old when they were married.

They were living in a small apartment in Los Angeles when they were married.

Lucas, Lyons Speak On College Campus

Lincoln And Douglas Debate Anniversary Is Occasion

Chicago, Oct. 7.—(AP)—If they ever post a prize for a new I'm-working-my-way-through-college scheme, it probably will be won by Henry Shull. Shull, a junior, is paying his expenses at Northwestern University with the \$3,500 in cash and chattels he won in prize contests during the last five years.

His rewards included a bundle of money, a new automobile, an outboard motor, a bicycle, six cans of tuna fish, three refrigerators, and two watches.

He won 59 prizes. He averaged one prize out of each five entries.

LOWER ITALIAN CHAMBER ENDS ITS EXISTENCE

Fascist Grand Council Abolishes The Deputies

Rome, Oct. 8.—(Saturday)—(AP)—The Fascist Grand Council early today decreed abolition of the Italian Chamber of Deputies and establishment in its place of a new Chamber of Fasces and Guilds.

In a step long promised by Premier Mussolini, the Chamber of Deputies, already shorn of virtually all power, will cease to exist at the end of its present session.

Henceforth legislation will be enacted by the Italian Senate and a new lower house composed of representatives of Fascist party units—each unit known as a Fascio—and of the Guilds and corporations into which commerce, labor, industry and the professions have been united by the totalitarian regime.

The Fascist party and Guild representations are to be composed of the members of their two national councils.

Minimum age limit for members is to be 25 years.

The Grand Council, Fascism's supreme policy-making body, is to meet again tonight for consideration of international affairs.

Plan Varsity Swing At Illinois College

Event to Mark Opening Of Social Football Season On the Hill

Marking the opening of both the social and football season on the hill, the social committee of Illinois College plans a Varsity Swing tonight in Baxter Hall. Music will be furnished by Red Maxfield and his 12-piece band from the University of Illinois.

Arrangements for the affair have been made under the direction of William Wilton, chairman of the Illinois College social committee. Wilton is also president of Gamma Nu society and a member of the Blue-boys football squad. He has announced that this opening dance is by way of an experiment. The social committee has adopted a new policy which calls for better dances at the college.

A feature will be the opening of the newly decorated Baxter Lounge. As a gift of Dr. George Baxter new fixtures and furnishings have been placed in the lounge.

Decorations for the affair will be blue and white and will carry out a theme centered about the "I" song. This feature of the dance is under the direction of Clara Belle Miller and Ruth Kilton, with Margie Ruppert serving as artist.

Dancing will be from nine to twelve. President and Mrs. Hudson will be guests of honor with Dr. and Mrs. Bussey, Mr. and Mrs. M. Barlow, Dr. and Mrs. Stratton, Ned Donahoe, and Ernst Bone serving as chaperones.

CLUB HAS MEETING

The Pleasant Hill Ladies club met Wednesday afternoon at the home of Mrs. Frank Ring and daughter, Theresa. Mrs. John Boyd and Mrs. Eli Rogers were guests. A wicker roast will be held at the home of Mrs. Clara Mills October 29, it was decided.

A number of contests were held, prizes going to Cora Howard, Bessie Wankle, Mrs. Rogers and Mrs. Boyd.

Lucas, Lyons Speak On College Campus

Lincoln And Douglas Debate Anniversary Is Occasion

Galesburg, Ill., Oct. 7.—(AP)—Eighty years to the day after Lincoln and Douglas debated slavery on the Knox College campus here, two senatorial nominees met and spoke from the same platform for the only time during the current campaign.

Co-headliners at a "non-political" gathering, the rival candidates—Republican Richard J. Lyons and Democrat Scott W. Lucas—paid tribute to the key figures in the controversy that led to the Civil War and pleaded for a continuation of democratic government.

Lyons, the first speaker, declared the constitution must be preserved and expressed fear of governmental centralization.

Lucas proclaimed confidence that the "democratic system" is in no danger so long as all candidates are "committed to the maintenance of the American traditions, just as were Lincoln and Douglas."

They Shake Hands
They spoke, listened to each other and shook hands on a platform on the east steps of Old Main, center of the Knox campus.

There in 1858 Abraham Lincoln, two years away from the White House as the first Republican president, and Stephen A. Douglas, Democratic senator, staged the fifth of their seven historical debates.

The audience today approximated a thousand. Lincoln and Douglas had twenty times as many.

Both men, closely followed their prepared speeches. Lyons had offered to stage a debate here and had charged that his Democratic opponent had changed his plans to keep from appearing with him at Monmouth rallies tonight.

"The very foundation of our nation is being challenged," said Lyons, who refrained from attacking Democratic office holders. The Republican told Knox President Carter Davidson and the open air audience that "dictatorship" constitutes a serious threat.

Lincoln's plea continued, "Insisted upon and rigidly followed constitutional methods, powers and restrictions in very act. He pleaded for people everywhere to live their own lives and for the preservation of the American constitutional government."

Lyons denounced "imported philosophies" and said "the framers of our constitution x x x well knew that centralized government had forged chains for every wrist and iron clamps for every brain."

"Centralization of power inevitably ends in tyranny," he said.

Both men quoted from speeches by Lincoln.

Lucas reiterated that "both Lincoln and Douglas x x x were patriots, both wished to see the union preserved." Their difference, he said, was not over principles but "over means of attaining a common end."

He quoted Douglas as saying—"Forget party, remember only your country"—when the Civil War broke out.

The rival candidates separated immediately after the meeting ended.

Lyons went to Monmouth tonight, asserting that Lucas was afraid to hold a Democratic rally there at the same time the Republicans met.

Lucas went to Kewanee. His campaign managers asserted the Monmouth date

Mrs. Applebee Tells Of Trip Abroad to International Meet

Business and Professional Women Hear Talk at Meeting Thursday Night

Giving the highlights of a recent tour of many countries of Europe, Mrs. Applebee interestingly described the trip which she and Dr. Applebee took to the International Building and Loan association convention in Switzerland in a talk before the members and guests of the Business and Professional Women's club Thursday evening at the Peacock Inn.

Miss Mary Postlewait, president of the club opened the meeting presenting Mrs. Applebee, who told of the building development noted in the many countries, including Scotland, England, Norway, Sweden, Denmark, Germany and France. The officers of the association entertained the group in each country and side trips were taken to many cities.

Mrs. Applebee spoke of a luncheon which she attended in Geneva, Switzerland as outstanding, being held by the Peace and Disarmament committee of the Women's International organizations, of which the International Business and Professional Women are members. The aims are to spread knowledge and understanding of the great issues underlying the organization of peace, to enlist the support of women in all parts of the world in the service of peace, and to give expression in Geneva to the world wide desire for peace and disarmament.

armament. Consultant members are the National Committee on the Cause and Cure of War, U. S. A., and the Federation of American Women's clubs overseas.

In telling of the many prominent women assembled, Mrs. Applebee spoke of the special guests, the women delegates to the assembly of the League of Nations. She stated that although it was a critical time in Europe and everything was tense, the meetings for peace seemed to fit into the picture and were most interesting in their programs and in the contacts made with outstanding members.

Miss Maxine Wright, chairman of the International Relations committee, presented Mrs. Applebee.

New members introduced by the president, were Grace Fitch, Irah Lewis, Pauline Griswell, Miss Lash, of Winchester. Guests present were, Dean Roma N. Hawkins, Dean Mary Baird, Dr. Grace Knapp, Mrs. H. J. Lennox, Mrs. J. R. Hoffman, Mrs. H. C. Wolman, Mrs. Branstetter, Mrs. Ruth Martin Brown and Mrs. Ratachak.

The supper committee included, Miss Blanche Spall, Miss Helen Stranberg, and Miss Helen Watson. During the business meeting plans were completed for the Public Relations dinner to be held October 17 at the Dunlap hotel, in charge of Dr. Mary Louise Newman.

Invitations were received from the Decatur club to attend its Public Relations dinner to be held October 11. At this time the speaker will be the Grand Duchess of Russia, and from the Hannibal club for October 12, to hear Mrs. Rose Cunningham, first vice-president of the National Federation. The Alton club also invited the local organization to attend a dinner meeting on October 18th, when Dean Florence Jackson, of Lindenwood college, St. Charles, Mo., will be the speaker.

Chester Griffiths And Marie Laugel Wed at Altamont

Ceremony of Sept. 27 Announced Here Friday; Couple to Live in Chicago

Miss Marie Laugel of this city and Chester Griffiths also of Jacksonville were married Tuesday, Sept. 27, in Altamont, Ill. Miss Laugel is employed at the State hospital. The Altamont paper published the following account of the marriage:

"A wedding of beautiful simplicity was solemnized on Tuesday morning, Sept. 27, at 6 o'clock in Saint Clare's Catholic church when Miss Marie Laugel, daughter of Mrs. A. J. Laugel, was united in marriage to Chester Griffiths, son of Mrs. Lewis Griffiths of Jacksonville.

"Rev. Joseph McKeough, pastor of Saint Clare's, read the marriage service, using the impressive ring ceremony, and celebrated the nuptial mass.

"The attendants were Miss Frances Koberlein and Claud Laugel, brother of the bride.

"The bride wore a beautiful gown of white slipper satin train. She wore a gracefully draped veil of tulle, finger tip length. Her wreath was of velvet, halo style, and she carried a bouquet of Johanna Hill roses and baby breath. She also carried a white silk handkerchief which her mother had carried at her wedding.

"Miss Frances Koberlein wore a dainty gown of aqua silk over satin. Her close fitting hat was caught with a short veil of the same color. She carried Tullman roses.

"Music for the nuptial mass was furnished by Miss Ida Quatman and Miss Florence Quatman.

"Following the ceremony a wedding breakfast was served the bridal party and the immediate family at the Laugel home.

"The bride attended Sacred Heart Academy in Springfield and Saint Teresa's Academy in Decatur.

"After a short wedding trip, Mr. and Mrs. Griffiths will live in Chicago where Mr. Griffiths has employment."

Dr. Beverly Speaks At School Meeting

Washington P.T.A. Hears Oak Park Physician: Business Transacted at Meet

"Problems of Adolescence" were discussed by Dr. Bert R. Beverly, Oak Park, Illinois, in which he stressed the advantage of proper attitude toward the elementary school child and reducing the elementary school problems at the meeting of the Washington Parent-teacher association held Thursday at the school. The meeting was largely attended with about 150 present.

Mrs. M. M. Barlow, president of the association presided and expressed appreciation to Rev. Morgan Williams and his social hygiene committee; to the Medical association for its cooperation and to Dr. George Drennan, who presented the speaker. Dr. Drennan assisted by John Agger showed a Cub Scout film, which was both entertaining and informative.

Mrs. Frances Plouer accompanied by Miss Self sang two appropriate vocal numbers. Mrs. Morgan Williams, hospitality and membership chairman, assisted by the room mothers committees were in charge of the social hour, having arranged a lovely table with fall flowers and golden candles, carrying out the fall motif. Delicious refreshments were served.

During the business session the treasurer reported a good balance on hand. A doughnut sale is scheduled for October 14th. It was announced that Dr. Germane will speak at the High School October 13th. The Lafayette P. T. A. bridge party was also announced for October 12th.

Miss Hart's room won attendance upstairs and Miss Lander's room won for attendance down stairs. Miss Anna Hopper introduced the following teachers, Mrs. Harriet Lander, Miss Anna Tendick, Miss Zella Scott, Miss Edith Ruyle, Mrs. Pearl Forrester, Miss Maxine Wright, Miss Marjorie Wilson, Miss Merle Dimmitt, Miss Barbara Hart, Miss Meta Eilers and Miss Lois Weber are new teachers at the school. Miss Anderson and Miss Armstrong were visiting teachers. It was further announced that Mrs. Frank Wolfe would be the room mother for Miss Hart's room.

Medical Men Hear Program at I.S.D.

Physicians Guests of State School for Dinner and Demonstration

About forty physicians were guests Thursday at the Illinois School for the Deaf for the regular dinner and meeting of the Morgan county Medical society. An excellent dinner was served in one of the school dining rooms, after which the guests went to the auditorium for demonstrations.

Pupils from the school demonstrated the elementary steps taken in teaching the deaf. The use of hearing aids was also shown. Choral and rhythm demonstrations were also given. The program was in charge of Miss Margaret Secker, Mrs. Betty Johnson and Miss Randa Olds.

FIRM LEASES STORE FOR USED FURNITURE

The firm of Hopper & Hamm has leased the store room on South Sandy street formerly occupied by the Godfrey Lincoln Co., and has opened a used furniture department in the new location. The addition of this branch to the regular business will provide the firm with better trade-in facilities.

Recently Hopper and Hamm also secured additional space in their large store at the southwest corner of the square. The store has been extended to include both the second and third floors over the Bassett jewelry store and Ye Book Shop.

Telephone Company Lowering Lines to Make Way for Others

Toll Lines Through City Are Being Lowered as Municipal Lines Are Strung

Workmen for the Illinois Bell Telephone company this week are lowering a number of toll lines through Jacksonville in order to give a sufficient clearance between them and the lines of the municipal electric light and power lines.

Workmen are lowering the toll lines to twenty feet above the ground, two feet more than is required by law for clearance. The toll lines are owned by the Illinois Bell Telephone company and include wires leading direct from Pittsfield to Springfield, Valley City to Springfield, and Jacksonville to Springfield.

Brackets supporting the lines on approximately seventy poles had to be lowered, and some of the work had to be carried out without disrupting service.

The crew of men stringing the municipal light and power lines are working at present in the residential sections, but soon will come into the business district. None of the holes for poles to be erected in the business district have been prepared as yet, but places where the poles will be set up have been determined.

Pension Group Is Set Up in Greene County at Meeting

Hope to Increase Amount of Funds by State and Federal Agencies

Carrollton—A meeting was called in the White Hall park, Thursday afternoon by officers of the newly organized Old Age Assistance Association. Incorporated. This meeting was for the purpose of organizing all persons on the old age pension rolls to demand that they get what has been promised them, and what state and federal statutes have been passed namely, a \$30 per month pension to all persons over 65, who have no means of support, \$15 to come from the state and \$15 from federal funds.

There were about 100 persons present who are eligible to membership.

M. B. Whalen of Peoria president of the organization opened and addressed the meeting and informed all present that while the laws were enacted for a \$30 pension for all eligible the amounts paid to them was from \$5 to \$17 per month with an average of \$14 per month. He urged all present to join and elect state and federal officers who favor the plan.

A vote was taken on organizing a council in Greene county and a large majority present voted in favor of it. An election of officers was held and the following chosen: President, E. L. Wendling; vice president, Chas. Kessler; secretary, Thomas McGlasson; treasurer, I. N. Swartwood. At least 60 have made application to become members. Stuart E. MEN LOVE GIRLS WITH PEP

If you are peppy and full of fun, men will love you to pieces and parties. BUT if you are cross, listless and tired, men won't be interested. Men don't like "cross" girls. When they go to parties they want girls who are full of pep.

So in case you need a good general system tonic, remember for generations one woman has told another how to go "peppy" with **LODIE E. PINKHAM'S Vegetable Compound**. It helps build up more physical resistance and this aids in giving you more pep and lessens distress from female functional disorders.

You'll find Pinkham's Compound **WELL WORTH TRYING!**

No child deserves the handicap of defective eyesight. You owe it to your child to be sure that he is not suffering with an unsuspected but harmful deficiency of vision. Many children go for years with headaches, cross dispositions, and poor school marks without their parents even knowing the source of the trouble—defects of vision that could easily be corrected. Give your child an even break at success—have his eyes examined carefully and scientifically.

Morgan Sends First New Corn to Market

Car Received in St. Louis This Week; Crop Gathered Too Soon May Be Moist

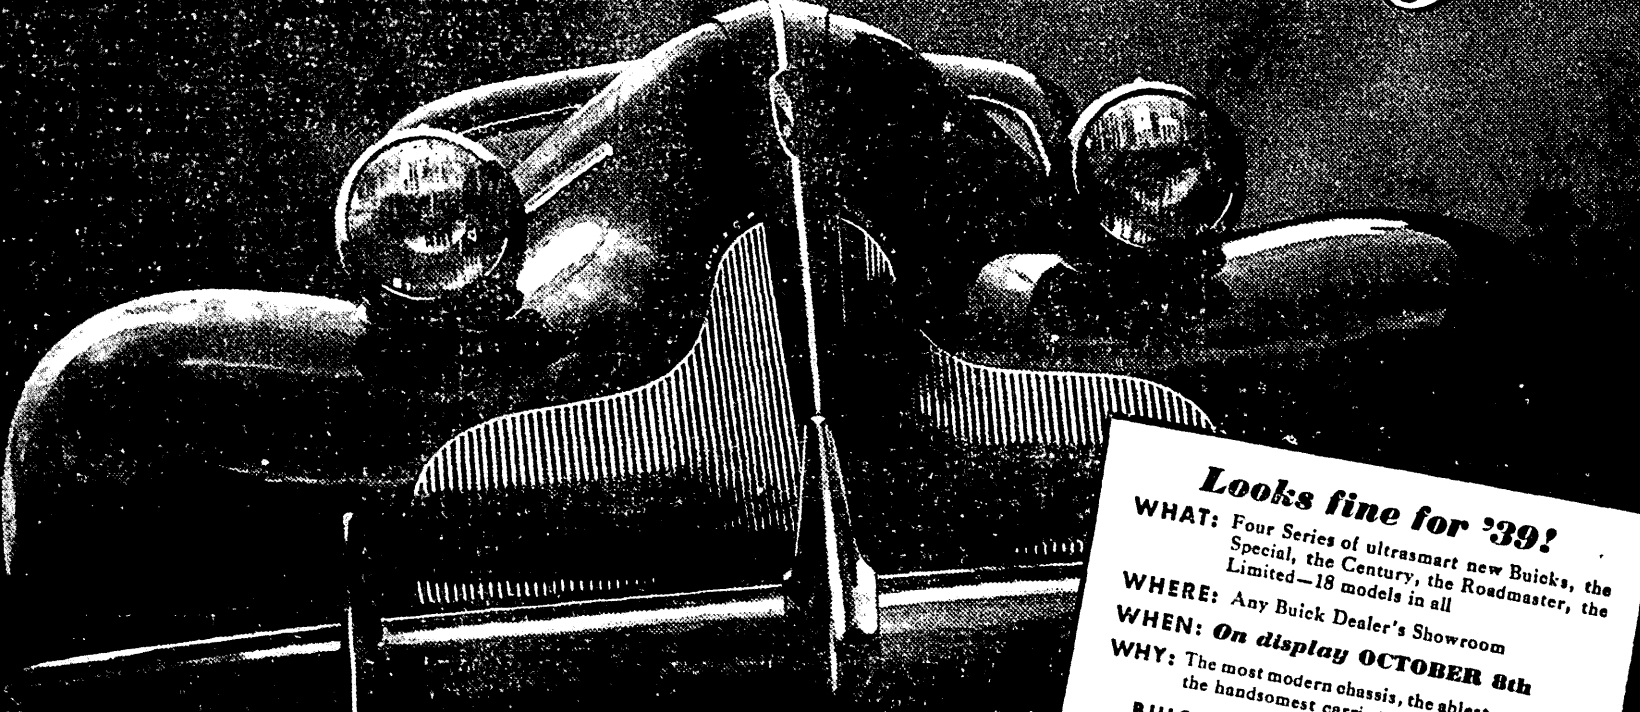

The first car of new corn to be received on the St. Louis market came from Morgan county. The corn was handled thru a local cash grain house and consigned to the Continental Grain Co.

New corn is beginning to move to market, but much of it is heavy with moisture. There has been no heavy frost, and it is yet somewhat early to gather corn. However, the lateness of frost is giving corn which was planted late in the season a good chance to mature.

Star Performer ushers in new Style Cycle with stunning designs that keynote next year's mode

It all started with "catwalk-cooling," on the costly racing cars of Europe.

They were shooting at better aerodynamics, not new styling—but they touched off something that will re-pattern cars everywhere before it's done.

Not that looks alone ever come first with Buick. What's *really* Buick is underneath all that, down deep in the good true metals, the split-hair precisions, the tough alloys.

But everyone goes for beauty, and you would be less than human if you didn't thrill to an eyeful of the smartest dressed automobile you ever saw.

So let your gaze take it in. Spot the radiator grilles. Down low. They're the key to new-day design.

They're also placed where air pressure's greatest—your engine cools under forced draft so to speak.

Two Up, Two To Go, Yanks Claim; Pearson And Bryant Pitchers

New York, Oct. 7.—Two up and two to go, the jubilant New York Yankees came home today, confident they would be winners and still champions when the fourth game of their World Series with the Chicago Cubs is over Sunday night.

In sharp contrast to the Cubs, whose confidence seems to have run out—just as Dixie Dean's fine pitching arm in the late innings of yesterday's second game—the Yanks feel they have a better chance tomorrow night and Sunday's fourth will wind it up.

Indications were the manner in which the Yankees had outplayed the Cubs in the first two games from both attack and defense standpoint in Chicago. Yesterday, Pile would bring out a capacity crowd for the opening game at Yankee stadium, the Bronx ballplayers' managers, however, were not so sure. They still were some trepidous, but available, and the Yanks expect a full house, some 40,000. All boys seats already have been sold.

The Same Lineups
Battling it out on both sides were the same lineups. The Yankees' lineup was the same as in the first game. The Cubs' lineup was the same as in the first game. The Yankees' lineup was the same as in the first game. The Cubs' lineup was the same as in the first game.

Winchester, Oct. 7.—Jacksonville high suffered its first defeat in its last thirteen starts as a fast, smooth Winchester eleven won a football contest on its home field 13-7.

Dick Pile featured the purple squad's play by ripping off a 70 yard run for a touchdown in the third quarter, putting his team in the lead 12-7. Priest barged through right end for the conversion, winding up the scoring for the day.

In the middle of the second quarter Winchester started a drive for their first scoring by taking Sorrell's punt-out on the J. H. S. 28 and flinging accurate passes over the Crimson line. Pile again featured the drive, tossing a short pass to Carlton, and then slinging a long one to Priest camped on the 4 yard line. After slipping through the J. H. S. line for two yards, Pile crossed the zero stripe on a run around right end. Winchester failed on the extra point.

Charles Johnson accounted for the Crimson points late in the first period, following Bacon's interception of a would-be Winchester pass on his opponents' 20 line. After Bacon raced around end for 4 yards, Captain Splunk tramped through the purple line for a first down on the 9 yard line. Charley then took over, crossing the line in two spurts for a touchdown and then shoving across the conversion.

Pile Limbers Up
Early in the second quarter Pile started limbering up his left arm, reeling off throws to Priest and Carlton, putting the ball on the J. H. S. 20. However, Vasconcellos broke through and threw passer Pile for a

12 yard loss. The Crimson ended the scoring threat momentarily by punting on Pile, chasing a bad center pass, on the 48.

Late in the third quarter the J. H. S. footballers edged the ball to the one yard line, but lost possession on downs. In the first of the last quarter, the Crimson again threatened the goal line, losing the ball on downs on the ten stripe.

During the first part of the game, penalties and inaccurate laterals kept J. H. S. from gaining much ground, while a number of fumbles on the part of the purple team ate up their profits. With the exception of the Crimson threats, the balance of the contest was held in the center of the field, although Pile provided plenty of excitement with his flying feet and deadly left arm.

Missouri Executes Last of Gang Trio
Pays For His Part in 1933 Kansas City Massacre

Jefferson City, Mo., Oct. 7.—(AP)—Adam Richetti, last survivor of a desperate trio which terrorized the Midwest a few years ago, was executed in Missouri's lethal gas chamber early today for his part in the 1933 Kansas City Union Station massacre of four officers and their prisoner.

Death of the sardonic, saw-toothed pal of Pretty Boy Floyd blasted the last hope of officials for a first-hand account of the sensational mass murders.

The massacre was a bungled attempt to rescue Frank Nash, an escaped convict, from officers taking him back to Leavenworth, Kas., federal prison.

Killed in the battle of machine gun, shotguns and pistol fire in the edge of Kansas City's downtown business district were federal agent R. J. Caffery, Police Chief Otto Reid of McAlester, Okla.; two Kansas City policemen, William J. Grooms and Frank L. Hermonson—and Nash.

A painstaking check of all long-distance telephone calls the night before the massacre, June 17, 1933, finally furnished officers the clue which solved the case.

Richetti was the only one of the three named specifically by the government as the assassins to face trial. Verne Miller was slain by other gangsters near Detroit.

Varsity Bunged Up So B's May Tangle With College Frosh

Yearlings Bubbling Over for Battle; Lamb Lays Day Varsity for Day

Illinois College's varsity is so badly bunged up right now that Al Lamb, coach, said yesterday not many of them would see service against this year's freshmen team in the game slated for this afternoon, while on the other side of the field Coach Ray Smith's freshmen are just bubbling over with enthusiasm, goaded by an ambition to knock off the varsity in a scheduled game.

The combat will get underway about 2:30 p.m. Lamb said yesterday, so that all of the players will be able to hear the last call in the World Series game. He wasn't just certain who he would start in the various positions, reserving a final decision until game time when he sees how many of the boys actually put on uniforms.

The freshmen have been having their troubles too, having lost both ends through injuries. Stevenson and Pasewent both got jumbled up during the scrimmage last week and won't be able to play.

A couple Chicago boys, Hoglauer and Kohler have been assigned to the wing positions. John Newberry, former J.H.S. lineman and backfield man, and Piv formerly of Springfield, will be the tackles. Jay Brown, another J.H.S. graduate and Morlin of Clinton, will be the guards. Pat of Illinois will be at center to form the line.

The freshmen backfield, with Harvey Scott, J.H.S. star last year, Herschel Heaton, another local lad, Herschel Reay, Johnson City, and Frank Mansfield, Abingdon, are all in good shape.

Counts His Losses
Lamb counted up his losses to find out where he would be for the game, and admitted that he wasn't going to take a chance on injuring any of his varsity lads now. Clayton Lambert is out now with a game leg, and Gus Petrakis, who got into a couple scummies last week, has been put on the shelf until the middle of next week at least. Art Yates has a chafey leg and won't play, and Henry Koshak, shouldn't play because of a leg injury, but he needs the practice and probably will get a little action. D'Conso also has a few bumps on the ribs that could stand a little rest.

Lamb said he would use Angus for awhile just to limber him up.

His line-up, he said, probably would be Whitely Myers and Jack Harding on the wings, McWard and Blumhard at tackles, Mader and Peabody at guards, and Tony Ursic at center. Ursic rejoined the squad during the week but isn't in the best of shape yet.

Mike Zupshick, who suffered a broken leg a couple years ago in a game at Cape Girardeau Teachers, is going to make another effort at football this year and may make his debut today.

Jimmy Thompson, who has trouble with his legs, Mel Thompson, a guard, are other linemen who will get some action.

DiConso, Kalteaux, Willie Wilton and Charlie Davis probably will be in the starting backfield for the varsity, although that wasn't certain either.

Peabody may not play very long, either Lamb pointed out, because he collided with another player in a scrimmage during the week and was kayaked for several minutes.

Don Overbay and Chick Ballard left yesterday for Michigan where they will scout Illinois Wesleyan against Michigan State.

Roodhouse Wallops Pittsfield 26 to 0
Fullback Makes All Four Touchdowns, Scoring On Line Plunges

Pittsfield, Oct. 7.—Fullback Roodhouse of Roodhouse High school plunged across the goal line four times this evening to give the Railroaders a 26 to 0 football win over Pittsfield. Roodhouse had the able support of his mates in getting the ball into scoring position.

Pittsfield battled the undefeated visitors on fairly even terms in the scoreless first quarter. The Railroaders then yanked the throttle for a touchdown in the second, another in the third and two in the final quarter.

The Roodhouse fullback plowed 8 yards to a touchdown once, his other tallies coming on shorter dashes. Two points were added after touchdowns with passes from Roodhouse to Shaw.

Crimsons Given First Setback In 13 Games; Johnson Local Scorer

Winchester, Oct. 7.—Jacksonville high suffered its first defeat in its last thirteen starts as a fast, smooth Winchester eleven won a football contest on its home field 13-7.

Dick Pile featured the purple squad's play by ripping off a 70 yard run for a touchdown in the third quarter, putting his team in the lead 12-7. Priest barged through right end for the conversion, winding up the scoring for the day.

Early in the second quarter Pile started limbering up his left arm, reeling off throws to Priest and Carlton, putting the ball on the J. H. S. 20. However, Vasconcellos broke through and threw passer Pile for a

12 yard loss. The Crimson ended the scoring threat momentarily by punting on Pile, chasing a bad center pass, on the 48.

Late in the third quarter the J. H. S. footballers edged the ball to the one yard line, but lost possession on downs. In the first of the last quarter, the Crimson again threatened the goal line, losing the ball on downs on the ten stripe.

During the first part of the game, penalties and inaccurate laterals kept J. H. S. from gaining much ground, while a number of fumbles on the part of the purple team ate up their profits. With the exception of the Crimson threats, the balance of the contest was held in the center of the field, although Pile provided plenty of excitement with his flying feet and deadly left arm.

Mixed Tournament For Bridge Teams Is Opened at Club
Men and Women Participate In Country Club Event; Women End Tourney

A women's bridge tournament has just ended and a mixed tournament for men and women, to continue for weeks, has been opened at the Jacksonville Country Club. The first night of play in the mixed tourney was held Thursday night at the club with 12 tables at play in two sections. Mrs. Milton Stout is director of the tournament.

As the event is a Mitchell match point tourney two sets of winners will be developed. The leading teams in the first night of play included:—North and South, first division—Mrs. M. Norris and Mrs. Roy Corrigan, 37; third, Mrs. Russell Steacy and Mrs. M. W. Osborne, 36; fourth, Mrs. Warren Brown and Mrs. H. E. Chenoweth, 36; fifth, Mrs. E. K. DeWitt and Mrs. Clyde Singley, 36.

East and West, second division—First, Mr. and Mrs. J. C. Lukeman, 50; third, Mr. and Mrs. Charles Wright, 47.

East and West, second division—First, Mr. and Mrs. Cass Ham, 60; Mr. and Mrs. Leavitt Arnold, 49; third, Mr. and Mrs. Frank Foote, 47.

Women's Tournament
In the women's tournament which has just been completed, Mrs. John E. Rose and Mrs. L. F. Randall with a score of 430 led the North and South division, with Mrs. W. T. Capps and Mrs. Dan T. Cloud, whose score was 419, capturing the East and West division honors. In the private play-off match for the championship Mrs. Capps and Mrs. Cloud won first trophies. They were awarded silver honor cups.

Other results were:
North and South—Second, Mrs. R. M. Norris and Mrs. Roy Corrigan, 37; third, Mrs. Russell Steacy and Mrs. M. W. Osborne, 36; fourth, Mrs. Warren Brown and Mrs. H. E. Chenoweth, 36; fifth, Mrs. E. K. DeWitt and Mrs. Clyde Singley, 36.

East and West—Second, Mrs. Paul Moriarty and Miss Ann Bellait, 41; third, Mrs. L. C. Strubinger and Mrs. Frank Foote, 38; fourth, Mrs. Ernest Stout and Mrs. H. L. Caldwell, 36; fifth, Mrs. G. B. Andre and Mrs. J. H. Carruthers, 35.

Forty women took part in the tournament and 20 prizes were awarded under direction of Mrs. Milton Stout, who compiled the scores each week.

The mixed tournament now in progress will be the last of the season

GLASGOW BAPTIST YOUNG PEOPLE WIN ATTENDANCE PRIZE

Glasgow—The Glasgow B. Y. P. U. was again awarded the attendance trophy at the annual Morgan-Scott Baptist Association, which was held in the Alsey Baptist church Tuesday. The award was presented during the B. Y. P. U. session of the annual associational meeting that evening.

The trophy is awarded to the group having the highest average attendance during the year in proportion to their enrollment. For at least the last five consecutive years the Glasgow organization has held this honor.

An annual election of B. Y. P. U. officers in the Morgan-Scott Association Tuesday evening. Johnny Pope of Glasgow was elected president, succeeding Paul Wayne Edwards of Manchester. Johnny has also been recently reelected president of the Glasgow organization. Miss Wilma Priest of Alsey, was named vice-president of the associational group.

To Mark Founders Day at MacMurray College Monday

Banquet to Be Given in McClelland Hall; Hannibal Man to Speak

MacMurray College will hold its 29th annual Founders Day celebration with a banquet which will be held Monday, October 10, at 6:00 o'clock in the McClelland dining hall. One of the high lights of the celebration will be the presence of Mr. and Mrs. James E. MacMurray who are making their visit to the college campus the first stop on their wedding trip.

The speaker of the evening will be Attorney Morris Anderson of Hannibal, Missouri. Mr. Anderson will speak upon the subject "Tom Sawyer Land." Mr. Anderson has been mayor of Hannibal, and is president of the Chamber of Commerce, and is now the president of the Mark Twain Society of that city. His lecture will tell of his experiences with Mark Twain when Mr. Anderson was a very small boy and will also include interesting phases of the life of the famous author that are not generally known.

The guests of honor at this banquet will be Mr. and Mrs. James E. MacMurray, of Pasadena, who were married in California last Tuesday. Other guests will include Mrs. Isabel MacMurray Anderson, Mr. and Mrs. A. C. Crawford of Chicago, Mrs. Mirlan MacMurray Martin of Greenwich, Conn.

A large and enthusiastic group of alumnae are expected to be present at the banquet. Miss Rhoda Olds, president of the MacMurray Alumnae Association, will be general chairman at the meeting. The program will include in addition to the speaker group singing which will be led by Joseph C. Clelland, director of the MacMurray College Conservatory. Mrs. Ralph Hutchison will be at the piano. Special music will be furnished by a quartette composed of Mrs. Elsie Plouer, Miss Rhoda Olds, Miss Ann Bonansinga and Miss Winona Rawlins. Miss Mahala McGeehee will accompany the quartette.

The candle lighting service will be given by Miss Margaret Goebel Cleary. At this service, the traditional blue and white candles are lighted and best wishes are made for the continued greatness of the college.

Special remarks will be made by President McClelland and by Mr. MacMurray.

Founders Day
Founders Day was originated in 1909 for the purpose of celebrating the first meeting of the board of trustees of MacMurray College which was held October 10, 1846. Following this first successful celebration of the founding of the institution annual celebrations have been held on or near the tenth of October for the last twenty-nine years.

Founders Day commemorated the work of the very first leaders of the Illinois Annual Conference of the Methodist Church who conceived the idea of a college exclusively for women that was to be located in Jacksonville.

The first board of trustees for the college was appointed in October, 1846, at the annual conference meeting held that year in Peoria. In 1847 the college was duly incorporated and in October, 1848, opened its doors to the first students. In the beginning the classes of the college were conducted in the basement of the Centenary M. E. church.

The first board of trustees, known as the Founders of the College, were: Rev. Peter Akers, Rev. Peter Cartwright, Rev. W. D. R. Trotter, Rev. William Rutledge, Rev. George Rutledge, William Thomas, Matthew Stacy, Nicholas Milburn, William Brown, and William C. Strubinger. The first president of the board of trustees was the celebrated minister Peter Cartwright. His support was sought at the very beginning of the drive to establish the college for it was felt that it could not be organized without his aid.

In 1861, when the indebtedness of the college was so great that there was danger that it would have to be closed, he contributed \$1,125 to save the college. At that time he was receiving an annual salary of \$400 and had an extremely large family to support.

Large Before Civil War
During the days of the founders before the Civil War the college prospered and was filled to overflowing. The first building was planned to have a capacity of 200, but soon 300 were in attendance with three students in a room. The rooms had no modern conveniences, but each girl was obliged to carry her own wood for her fire and rebuild it every morning.

In the 92 years since the founding of the college the name has been changed five times. The founders named it The Illinois Conference Female Academy. In 1852 it was renamed the Illinois Conference Female College. In 1863 a new charter was granted and it became known as Illinois Female College. In 1899 it became known as Illinois Woman's College, and in 1930 the present name of MacMurray College was adopted.

Scene Of Celebration

Jacksonville Lutherans on Sunday will observe the 80th anniversary of the founding of the church in this city. Services will be held in the edifice erected and dedicated in 1923, the third building that has served the congregation in its long history. The present Lutheran church building is pictured above.

Lutherans Will Mark 80th Anniversary Of Jacksonville Church

In two services to be held this Sunday the 80th anniversary of the founding of Salem Lutheran Church will be observed.

The congregation will gather for the first service of praise at 10:30 a. m. at which time Herbert Hallerberg will be the speaker. Mr. Hallerberg graduated from Concordia Seminary, St. Louis, last year. He is the son of a former pastor of the church and also the first member of the congregation to graduate into the ministry.

In the afternoon at 2:30 the Prof. H. B. Hennemer, D. D., will deliver the anniversary sermon. Prof. Hennemer is widely known as a powerful pulpit orator, having addressed many large Lutheran gatherings, especially in the East. He was twice president of the Concordia College of Conover, N. C. and at present is president of the theological seminary in Springfield. In both of these services the church choir, under the direction of O. A. Schuetz, will render special music.

Salem Lutheran Church looks back upon the day of its founding in September, 1858, with a feeling of sincere gratitude to God. The small group of less than ten founders has grown into a sizeable church today. While the growth of Salem Church has never been rapid or phenomenal, it has been steady. The church numbers about 450 members today.

Have Had Three Buildings
During the course of the years the congregation has had three homes. The first church built in 1859, later served as a school and was removed from the church property only this spring. The second church was first the third ward school. It stood on the site of the present Lutheran school. After the purchase of this building in 1876 it was remodeled into a combination church and parsonage. This building served the church until 1923 when the present imposing building was dedicated. Thus this anniversary is also the fifteenth of the dedication of the present church.

The local church has been a member of the Evangelical Lutheran Synod of Missouri, Ohio, and other States for the past seventy years. This is commonly considered the most conservative branch of the Lutheran church in America.

The anniversary program calls for celebrations during the whole of the coming year. Each society in the church will celebrate the anniversary of its founding as the date draws near. The eightieth anniversary of the founding of Salem Lutheran School will be duly observed on November 2.

Pastors who have served during the years are: Thos. Klein 1858-60, V. Klein 1862-74, Fred. C. M. Hehle 1874-85, F. Lehmann 1865-77, C. Metz 1877-88, F. Bergen 1889-96, E. Beck 1877-1904, H. Hallerberg 1904-9, J. G. Kuppler 1909-36. The present pastor is Herman H. Koppelman who came here February, 1937.

English work was begun in 1905. It use steadily increased until today only English is preached in the church services.

Doris Michael Is Press Club President

Jacksonville Girl Is Elected At Special Meeting Last Night

Miss Doris Michael, daughter of Mr. and Mrs. A. R. Michael of 853 West College avenue, was elected president of the MacMurray Student Press Club in a special meeting held in the Press Club room Friday evening. Miss Michael is a graduate of the Jacksonville High school with the class of 1936. While in high school she was a member of the state championship debate team, and was interested in dramatic work.

Miss Michael is the present president of the International Relations Club. She is a member of the debate team, and interested in many other campus activities.

Plans have been made for another meeting of the Student Press Club on next Tuesday evening at which time new members will be admitted and plans for the year will be considered.

Rotary Conference To Be Held Here; Expect 500 Clubmen

District Meeting to Be Conducted April, 10 and 11 Next Year

Dr. Ellsworth Black, president of the Jacksonville Rotary Club announced Friday that Dr. Phillip N. Dale, of Granite City, Ill., governor of the 148th District of Rotary International, had selected Jacksonville as the place for holding the district conference on April 10 and 11, 1939. It is expected that more than 500 Rotarians will attend the conference.

DR. PHILLIP N. DALE

Jacksonville was host to the conference several years ago and because of its central location has again been selected as the conference city.

The 148th district comprises clubs in the western and central parts of Illinois and includes some of the largest clubs in the state, Peoria, Springfield, Rock Island, Moline, Quincy, Jacksonville, Alton, Granite City and others.

President Black will appoint committeemen to handle the conference within the next few weeks.

It is planned to hold a dinner at the MacMurray College for women dining hall. Students at the college will be at home on their Easter vacations at the time the conference is being held, making the dining hall available for use of the Rotarians.

Governor Dale will come to Jacksonville within the next few weeks to confer with President Black regarding the program and other arrangements for the conference.

Catholic Daughters To Hold Reception

New Members Will Be Given Reception Nov. 6; Plan Lecture Oct. 30

The Catholic Daughters of America held their regular monthly meeting Thursday evening at the K. of C. club, featured by several important announcements. Plans were made for a reception for new members to be held Nov. 6. During the meeting it was announced that a well known lecturer, Augustus Roth, will speak in the auditorium of Our Saviour's school Oct. 30. Further details of Mr. Roth's visit in Jacksonville will be announced.

Following the business session, a musical program was given by the Mansfield Trio, much to the enjoyment of the members. The trio sang "Cowboy From Brooklyn," "Five Piece Band," and "Breeze." They were followed by a duet, "A Ticket A Tasket." Elsie Mansfield sang a solo, "Love-light and Star Light"; Junior Mansfield solo number was "Pockeloff of Dreams"; and Myrna Mansfield sang "Alexander's Ragtime Band." Gwen-dolyn Mansfield entertained with tap dances.

Hostesses for the meeting were Mrs. Julia Graef, chairman; Mrs. Barbara Gruber, Misses Mary Fuchs, Irene Banghart, Patricia Lonergan, Guise Duffner, Mrs. Anastasia Welch, Mrs. Ethel Quinlan, Mrs. Francis Lenth, Mrs. Mary Standley, Mrs. Margaret Sweeney, Mrs. Mary Louise McGinnis, Mrs. Mary Pieper, Mrs. Lillian O'Donnell and Miss Lena Schirz.

Young America In 1938 is Subject Of Talk at Meet

Harold Gibson Addresses Rotary Club Members Here Friday

Harold Gibson, director of public relations at MacMurray College was the speaker at the regular luncheon meeting of the Jacksonville Rotary Club Friday at the Dunham hotel. His subject was "Young America in 1938."

The speech was devoted to a discussion of conditions among the young people of our country today between the ages of 16 and 24. The facts presented were taken from the recent report of conditions as they were found in a government survey made in the state of Maryland by Homer P. Rainey.

It was pointed out that young America has at least four major problems confronting it today that must be solved before we can hope to have conditions that are satisfactory. The youth is confronted by the problem of not having adequate facilities for proper recreation. Everywhere he pointed out, we find that the recreational and amusements that young America enjoys must have been commercialized and made so expensive that a large proportion of our young people cannot enjoy them.

Marriage Preparation
A second serious problem confronting youth today is the proper preparation for marriage. The American home and school has not been meeting this problem of preparing the young people for marriage with the result that millions of our young people are getting married without the slightest preparation in a financial or in an emotional way for carrying out a successful home life.

The third major problem presented by the speaker was that of the inability of American youth to get a job. Today over three million young people are unemployed. Of those who do have jobs more than 90 per cent are dissatisfied because of long hours, low pay, and a type of work that does not challenge them to do their best. Only one in 13 young people are entering professional work while fully half of them would like to if they had the money to get the needed training to enter a profession. Young people today are forced to work for such low wages that it is practically impossible for them to get any money ahead for their future schooling.

The address was closed by presenting three implications that these problems of American youth present to the schools and colleges of this country. First our educational institutions must provide some form of wholesome and at the same time cheap recreation for youth; (2) Our educational institutions must train young people for marriage; and (3) A complete program of guidance must be devised to prepare young people for the selection of a job.

Dr. A. E. List of Havana, Ill., was a guest of the club.

JACKSONVILLE WOMEN AT D. A. R. GATHERING

Mrs. M. S. Zachary, Regent of the Rev. James Caldwell chapter, D. A. R., Mrs. Ella Hembrough, Mrs. Lewis Kelly, Mrs. Georgia Wood, and Mrs. J. Marshall Miller attended the Regional meeting of the D. A. R. held in Quincy, Thursday. The sessions were held at the First Christian church.

The local group met many of the State and National officers, who had been guests of the Jacksonville chapter, among them Mrs. Eli Dixon, of Roseville, Vice President General from Illinois, and Mrs. Charles Horrick, past National officer and State Regent, of Chicago.

The time was passed in strolling through the woods, singing, story-telling, closing with a dedication devotional service about the camp-fire. The next meeting of the society is Sunday October 16, at 2 o'clock, with the subject "Overcoming Handicaps."

LWV Potent Force Politically Says Speaker Here Friday

Mrs. W. W. Ramsey Addresses Local League at Membership Tea

"A unique organization, recognized after its eighteen years of existence as a potent force politically," said Mrs. W. W. Ramsey of the League of Women Voters when she spoke before the group yesterday. Mrs. Ramsey, vice-president of the state league, was the speaker at the membership tea given at the home of Mrs. H. Gary Hudson.

Today, more than ever before, the speaker said, there is necessity in a democratic state for an enlightened group, interested in government, and without selfish motives. American women, who are the envy economically and politically of women throughout the world, are particularly obliged to assume the responsibilities of citizenship.

In no other nation, Mrs. Ramsey said, is the policy of the individual citizen so important in determining the course of government. Today, when democracy is being tested, the education of the voter, is one of the most important problems to be considered and, unfortunately, one of the most neglected.

The League, organized "to fit women for active participation in affairs of government," proceeds on the theory that "action without knowledge is dangerous; knowledge without action is futile." It has therefore devoted itself to a study of fundamental, non-factional problems, and since its founding has based its interests on the relation between government, economic welfare and the public welfare. None of the facts issued in League publications has ever been challenged. The organization has accorded equal attention to proponents and opponents of any question under discussion; and has at the conclusion of research determined its policy by vote.

At the conclusion of the program tea was served by a committee including Mrs. F. B. Oxtoby, chairman, Mrs. R. O. Bussey, Mrs. J. W. Elliott, Mrs. R. W. Woolston, Mrs. M. M. Ballow, Mrs. H. E. Weaver. The speaker was introduced by Mrs. H. J. Stratton. Mrs. Earl Spink presided at the meeting. Plans for study groups were announced by Mrs. Orville Foreman, chairman of the "Know Your City" group, and Mrs. A. L. Adams, chairman of the child welfare group.
